Hello Joe,

It's nice to meet you! My full name is Jenna Hayes and I live in Tyler, TX. Caswell and Judea (Pope) Peery were my great-grandparents on my mother's side. Foy Alonzo Peery (their only son) is my maternal grandfather, whom I never met. I do have some pictures of that side of my family tucked away, but I would love to share anything I have with you. It's so nice to find others that are genuinely in their ancestors (I'm the only one of my close family that seems to be interested), and we can learn so much from one another! It will probably take me a week or two to go through the pictures and scan them, but I will try to get them to you as soon I am able. I don't want to get your hopes up too much, though. Most of the pictures I have are of my grandfather, his sister and maybe a couple of his parents and other relatives.

Oops, I should probably take a second to explain -- strangely enough, Isaac Simpson Hayes is on my mother's side, but she happened to marry a Hayes as well. Apparently they are not related despite the same spelling and supposedly coming from the same general area; I have had next to NO luck finding much of anything about my dad's family -- just family folklore.

Your website is amazing! Thank you so much for sharing it with me. It's so well-organized and I love all the different options I have of looking at the information (by last name/place/charts/etc.), you have definitely put some time in! Also, I find it neat that you've put all the cemetery plot pictures up, and just pictures in general. I wish everyone would do that.

Any questions you have I would love to try to answer! Feel free to ask away. I apologize for taking so long to get back to you -- things have been a little hectic lately, but they've calmed down now.

Also...I just wanted to let you know that my grandmother (Foy's wife) passed last summer, and that you are welcome to add her to your chart. I can give you any of her family's info if you were to want it, but her basic info is:

Reba Raye Robins Peery  
b. Feb 12, 1922 in Bullard, Texas  
d. Jun 9, 2007 in Tyler, Texas

I'm looking forward to future correspondence!

Thanks again for your hard work,  
Jenna
