Photo #1: date & place unknown.

Photo #2: Judea Elizabeth "Bettie" Pope sometime before her marriage with Lon Peery.

Photo #3: this one is a little trickier.

back row, L to R: Charity/Cherity Caroline Hayes/Hays, Judea Elizabeth Pope, Mattie V. Pope, Eliza S. Pope, Lee (Susie L. Pope?), Henry Hampton Pope, George (?), Hesse (Dolphin Hester Pope).

boys are bottom, L to R: Kenneth J. Pope, Augustus Pope, Charles Mixon Pope, Kelly (?)

I am unsure of the man furthest to the right in the back row, but I believe him to possibly be Hester Pope's husband? I have not been able to find any marriage record. Maybe the little unknown boy at the bottom right is their son? It's all speculation on those two, but I'm pretty confident in the ones without question marks.
