

Liberty Missionary Baptist aka Egypt Cemetery

Rusk Co. [Cemeteries of TX](#)

This cemetery was Transcribed by: [Paige](#) in 1997 and Updated by Klee486796@aol.com in 1999. Thanks to all of you who provided us with information for all to share. I have also check the information with Mary Frank Dunn 1965 transcription and when I found many graves that markers were lost and no longer listed, I added those.

This cemetery is located on the Panola -Rusk Co line and therefore I will attach it to both county sites.

The cemetery is located between Henderson TX and Carthage TX and is in a square configuration behind the Liberty Missionary Baptist Church. Located near the Panola Co. Line, off Farm Road 1251

I was told the first person buried here was John A. Hoyle, who died about 1884 or 1885. his grave is unmarked except for stakes. Bailey grave is 1874. (Mary F. Dunn)
