“ A note to Monica as I know she can hear and see us - As I sit here, I can't help but stare at your picture and think you should be here. It doesn't seem real that you are gone but I know in my heart there was a greater plan for you. Although we may not understand the "why" right now, I know you are flying high and smiling down on us all. We will miss you greatly and cherish you forever. You have so many people that love you and I know you are so proud of the children you raised - Shelby and Camiron will carry on in your footsteps and be just as wonderful as you were. I cherish the years we grew up together, every weekend at the camp riding dirt bikes, eating Hershey kiss squares before going fishing in the wee hours of the morning, and picking blackberries. And I can't quite remember the song, but there was one that you and Meredith would play on purpose to get nonstop giggles out of me and Kerry. We loved it! Those were just a few of my memories with you but some of the

best of times. If we could only go back. Love you sweet cousin. Rest in peace and know that you made your mark in this world and will never be forgotten.

With all my heart,

Kelly Hebert

And love from the rest of my bunch too - Cody, Rylee , Kenzee, & Baby Boy Hebert

Aunt Sarah, Uncle Olan, Shelby, Camiron, Meredith, Les, Sam & Sarah - Please hold your heads up high. Monica was partly the wonderful person she was because of all of you. She loved each of you immensely - it was easy to tell. When it rains, think of her tears of joy falling from the floors of Heaven because she knows one day she will get to see you again and show you just how beautiful Heaven really is. I love you all more than words can say.
