Classification: Query
Surnames: Peery, Brinkley

I have just recently begun a search for my grandmother's maternal side of the family. There is a photo of her mother, Gertrude Peery, and the rest of the family posted at <http://www.rootsweb.com/~tnweakle/> in the photo album section listed under Jim Peery, her uncle. Gertrude Peery married John Thomas Brinkley and they had 2 surviving daughters, Faye and Mary Lou. Her grandmother was Lou Peery but she doesn't recall much more about them except she did give the names of those in the picture. Her mother died shortly after she was born and she lived most of the time with her paternal grandmother Mary Gilleland Brinkley until she was about 12. She's also shown in a current picture at the above website under "family reunions and gatherings" as she will soon celebrate her 100th birthday.
