Joe,
Sorry I had saved this to Drafts so I could fix it and it went out by mistake. Guess I need to get some sort of genealogy program so I can lay it out correctly but I was anxious for you to have some descendants of Esther Gertrude Peery and a few others I know of for Wm and Lougenia Peery. Hope it doesn't get messed up this time. I also found where I had printed a page from the LDS library showing James Edgar Peery married Ella Lamb and then married a Virgie Buckley Mayo. There were Mayo's in some of the spouses of children of George Almus Peery so I wonder if he could have married one of their relatives. There was no date for that marriage but the date for his marriage to Ella was duplicated in several other places. If it doesn't come thru lined up, I'll try a different way because I sure would like to get Mary Brinkley Parkers descendants up to the present.
